Subject: Request for Info - File # 0004-EX-CN-2018

Message:

Your analysis with the application predates the current standards. Please confirm that your operations meet the current NTIA requirements in the NTIA redbook section 8.3.28 with the power calculation at 100 feet from the building. Also confirm whether all gps testing will be done in an anechoic chamber.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 29, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
