Message:

Dear Mr. Walt Waldorf:

You have requested a 75 kilometer radius about the reported geographical coordinates. Does this mean that the transmitter will be mobile while transmitting or does this mean the transmitter will be located at temporarily fixed locations within this radius?

Also, the maximum time period allowed for a Special Temporary Authorization (STA) is six months. Please amend your Start Date and End Date accordingly allowing for some processing time.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 22, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
