Subject: Request for Info - File # 1154-EX-ST-2015

Message:

To Whom It May Concern:

I received an email notifying me that Panthera has 3 applications for an STA experimental license that look the same. I would like to confirm that these are duplicates, and that the final application submitted with the file number 1154-EX-ST-2015 is the application that we would like processed. This application is the only one of the three which has been paid for.

My many thanks for your help,

Derek Betts
