Message:

Dear Mr. Dave Benfey:

Pursuant to our telephone conversation today, August 17, 2005, please address the following:

1. Report all locations as base-and-mobile operations and report the cities and states in the fixed city and fixed state fields in the Transmitter section.
2. Amend all frequencies for all locations to MHz and report all necessary bandwidths and emission symbols in accordance with 47 CFR Part 2.201.
3. Please submit an exhibit detailing how potential interference to the public safety and USCG bands will be mitigated.
4. Report necessary bandwidths consistent with narrowbanding in 138-150.8 MHz and 162-174 MHz or explain why narrowbanding will not be maintained.
5. Amend the nine confidentiality question and answer exhibit by excluding any information from it that may be confidential. A confidentiality request for particular exhibits may be made, but the technical information reported in the Transmitter section should not be held confidential.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 17, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
