

AMENDMENT PURPOSE

After consulting with client, they have decided that in order to expedite this experimental application so that they may proceed with they're main testing, they have asked that I delete the remaining spectrum 940 – 960 MHZ and the 450 MHZ spectrum as follows.

DELETE 940 – 960 MHZ - ALL SITES

DELETE 450 454 MHZ - ALL SITES

DELETE 455 – 456 MHZ - ALL SITES

They will amend the license at a later time when they are ready to begin that stage of their research. Appropriate changes have been made to the application.
