

Exhibit No. 1

Ref. Item 7, FCC Form 422, Attached

The Pennsylvania State University's Applied Research Laboratory, under contract with the United States Navy, contract numbers N00039-88-C-0051 and N00039-92-C-0100, has entered into a project of automatic shutdown of a laser system when objects appear in the window of the radar's main lobe beamwidth.
