Subject: FAA Frequency Approval

---

Message:

We have approval from the FAA to perform these tests.

Please see Supplemental Type Certificate (STC # ST03385CH)

The STC identifies Top Level Report # 13TL-001, you can see this report if FAA Approved by ACE-117C.

Top Level Report # 13TL-001 identifies the EMC Test Plan we have sent you, # 13TL-001.

Understand this is a ground test only of the aircraft's systems to demonstrate the aircraft is compatible with any Wireless Data Technology that may be carried onboard the aircraft.

Please see attached:

- STC No. ST0338CH

- Top Level Report 13TL-001
