ATTN: Office of Engineering and Technology
Experimental Licensing Branch

Re: Phelps Dodge Morenci, Inc.
Correction of Licensee Name and Mailing Address
Experimental Satellite Station WB2XIG

323PL99

Dear Mr. Caton:

In accordance with undersigned counsel's discussions with the Experimental Licensing Branch of the Commission's Office of Engineering and Technology, this is to request that the Commission update its records to reflect the following with respect to Experimental Satellite Station WB2XIG (the "Station"):

1. The FCC's records erroneously reflect the name of the licensee of the Station as "Phelps, Dodge, Morenci". Accordingly, it is respectfully requested that the Commission correct its records to reflect the proper corporate name of the licensee, "Phelps Dodge Morenci, Inc." It should be noted that this is a name change correction only and is not the result of any change in ownership or control of the licensee of the Station.

2. The mailing address for the licensee has changed. Accordingly, it is respectfully requested that the Commission correct its records to reflect the current mailing address for the licensee, "One North Central Avenue, Floor 16, Phoenix, AZ 85004, ATTENTION: Lawrence J. Corte, Esquire".

3. To the extent that the Commission requires updated telephone, fax and e-mail information for the licensee, the following information is provided:

Tel: (602) 366-8094
Fax: (602) 366-7311
e-mail: lcorte@phelpsdodge.com

It is undersigned counsel's understanding that a new license will be issued reflecting the corrections identified above. Please direct such correspondence to the address listed above, "One North Central Avenue, Floor 16, Phoenix, AZ 85004, ATTENTION: Lawrence J. Corte, Esquire".

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,
