**Subject: Request for Special Temporary Authority (STA) to conduct CDMA-800
telephones field trials**

Dear Mr. Marrangoni:

I am hereby requesting that Special Temporary Authority (STA) be granted to Philips Consumer Communications for the purpose of conducting a field trial of our new CDMA telephone in various CDMA markets. Please refer to the following information:

Name:	Philips Consumer Communications
Address:	45700 North Port Loop East Fremont, California 94538
Type of Operation:	Field trial of up to ten (10) CDMA telephones.
Purpose:	To demonstrate CDMA telephone functionality from an overall, "real-user" point of view, to confirm successful operation overall.
Time & Date:	Start Date: 25 Jan 1999 End Date: 25 Jun 1999, or first day following receipt of FCC type acceptance, whichever comes first
Nature of Service:	The CDMA telephone service.
Proposed Location	Within 50 miles of the locations shown in the table below.
Equipment:	Manufacturer: Philips Model: HWC-1000 Number of Units: 10
Frequencies:	824Mhz – 849MHz
ERP:	0.6 Watt
Emission Type:	1M25F9W ; 40K0F1D ; 40K0F8W

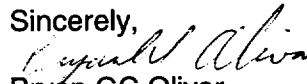

Please be advised that FCC type acceptance testing will be underway at the end of June and that our paperwork will be submitted to the FCC shortly. This STA is intended to allow us to begin field-testing during the delay when as the results are reviewed by the FCC Mobile Services Division.

Also, please be advised that the relevant CDMA operators concur with our testing. Confirmation names and numbers are shown in the table below. Testing will cease at any point should the operator indicate this wish.
