Date of Original Email: 07/11/2014

In response to FCC correspondence Ref 24524, dated 07/11/2014, the following responses are included below:

1. Spacecap study files have been sent directly to FCC personnel (A. Serafini) for review.
2. ODAR information was previously submitted at initial application within "Supporting Documentation" file. Stand-alone ODAR was sent directly to FCC personnel (A. Serafini) and also attached to the current application record
3. Arkyd-3 does not include any imaging payload as part of its as-built configuration
