Message:

Dear Mr. Robin Ireland:

Please respond to the following question using the procedures described at the bottom of this correspondence:

The Federal Aviation Administration has concerns about the use of the lower portion of the requested band. Is it possible to demonstrate the system's capabilities using only 16.2 - 17.2 GHz instead of 15.7 - 17.2 GHz? If not, please explain why.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 17, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
