FCC File # 0613-EX-ST-2006

---

Message:

Dear,

I've attached the proof (JPEG files) which you requested using Add Attachements menu.

The name of attachment is Wirelss Station Wireless.

Please refer to the attachements.

And can I know when we will get the experimental license?

Depending on the license, we need to plan how to take part in the exposition (WiMAX World).

Please let me know when I get the result.

best regards,

JungSook
