Your frequencies cover the SDARS and AFTRCC bands. Do you wish to use these bands or limit it to WCS bands? These frequencies might need to be excluded. If so you will need to coordinate with AFTRCC. You will need to coordinate with any WCS licensees also. Will this be possible given your confidentiality request?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 07, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
