Subject: Additional Information Request

Message:

In the purpose of operation you mentioned that "The radio system will be used for two-way communication with our sounding rocket".

What's the maximum altitude at which two-way communication will occur using the radio system?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 11, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
