DISMISSED-WITHOUT PREJUDICE

Dear Jason Hom,

This refers to application, File No. 1762-EX-ST-2018, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. This application is dismissed because NTIA is concerned that Proterra Inc. will cause radio interference to FAA operations at San Francisco Int'l Airport. Proterra Inc. must demonstrate that the power levels in the 5000-5250 MHz range meets the FCC Part 15 UltraWideband (UWB) levels for outdoor use.

Responses to this correspondence must contain the Reference number : 44866

Sincerely,

Anthony Serafini
Chief
Experimental Licensing Branch
