Special Conditions:

- (1) Licensee should be aware that other stations may be licensed on these frequencies and if any interference occurs, the licensee of this authorization will be subject to immediate shut down.
- (2) In lieu of frequency tolerance, the occupied bandwidth of the emission shall not extend beyond the band limits set forth above.
- (3) This authorization is solely for experimentation and technical analysis and does not commit the Commission to any specific action regarding related rulemaking petitions
- (4) The licensee shall inform the Commission immediately of any interference complaints from any authorized users of the band at any stage and actions taken to remedy such complaints
- (5) Licensee is required to file a PROGRESS REPORT no later than 30 days after the expiration date of this instant grant. This progress report shall be filed and uploaded electronically to the application file in the Experimental Licensing System (ELS) by accessing the "Post Grant Documents" tab available through the "Add Attachments" feature of the ELS: <https://apps.fcc.gov/els/AddAttachmentsEntry.do>
- (6) QUALCOMM must include in its progress report the date, time, frequency, location and duration of the tests performed under this experimental grant.

Special Conditions:

- (7) QUALCOMM must coordinate with the Western Area Frequency Coordinator (WAFC), Mr. J. Szelog at (760) 939-6948 prior to testing.
- (8) QUALCOMM may not provide any commercial service to customers under this experimental license.
