Exhibit 1

Quartz Acquisition Corporation (“Quartz”), a wholly-owned subsidiary of QUALCOMM Incorporated, is the licensee of Experimental Radio Station, WC2XLF. Quartz was formed in order to effect QUALCOMM’s acquisition of Flarion Technologies. Now that the acquisition has been completed (January 18, 2006 Notification of Consummation in File No. 0039-EX-TU-2005), Quartz and QUALCOMM seek Commission consent to the *pro forma* assignment of radio station WC2XLF from Quartz to QUALCOMM. The public interest in ease of administration will be served by a grant of this application.
