

Exhibit 1-

Quokka Sports Inc is a sponsor for the Around Alone 1998-99 sailboat race. As part of the sponsorship we will be lending Inmarsat Mini M terminals to the skippers entered into the race. The skippers will send photographs and video via the Inmarsat Mini M terminals back to Quokka to be posted on the Around Alone 1998-99 website. Quokka has purchased two Inmarsat Mini M terminals to test the sending and receiving of photographs and video over Mini M technology. These terminals will be used for test purposes only.
