Jose,

Since RST has chosen to pursue Experimental Special Temporary Authorization, the "PL" submission is no longer necessary:

Form 442 Confirmation Number: EL735433
Form 442 File Number: 0153-EX-PL-2008

What is the proper method to cancel form 442 submissions?

Mr. Rymut,

Sorry for the late response, I was out yesterday. Here is Nancy Hey's phone number: (202) 418-2432. As for your experimental licensing, I had worked on it on Friday so it's being process at this point with NTIA. I will keep you updated on the status of your application. Thanks.
