Subject: FCC file number 0443-EX-PL-2008

Message:

We have amended the application to delete the frequencies needing coordination from AFTRCC and we have added a radius of operation of 45 km from the transmitting site for the mobile side of operations. If you have any additional concerns please email Delaney DiStefano at ddistefano@higgslawgroup.com or call 301-762-8992.
