

AMENDMENT TO APPLICATION

Radio Propagation Services, Inc. ("RPSI") herein amends its pending application for new experimental authority (File No. 0083-EX-PL-2001) in order to change the frequency information. In lieu of seeking authority for the entire 2-30 MHz band, RPSI hereby amends its application to conform to the specific frequencies and bands designated as protected in 47 CFR 80.229 for signaling use in the manner in which RPSI intends to operate its device.
