Subject: FCC File No. 0378-EX-ST-2013

Message:

Dear Behnam,

In response to your correspondence sent via email on 04/17/2013, this is to advise you that the in space satellite point of communication is AMC-6 at 72 degrees west longitude. Please do not hesitate to contact me if you have any further questions.

Respectfully submitted,

Lesley Cooper
Sr. Counsel
