

Exhibit 3  
Special Temporary Authorization – Horizon Test

High Frequency RF Susceptibility Testing  
Equipment Information

| ITEM                      | MANUFACTURER       | MODEL      | SERIAL<br>NUMBER |
|---------------------------|--------------------|------------|------------------|
| Current Probe             | Tegem              | 915501-1   | 10634            |
| Current Probe             | Tegem              | 94111-1    | 10827            |
| Current Probe (Inj)       | Tegem              | 95242-1    | 11589            |
| Current Probe (Inj)       | Tegem              | 95236-1    | 11541            |
| Modulation Analyzer       | Hewlett-Packard    | 8901B      | 49-5018          |
| Amplifier                 | Amplifier Research | 150L       | 49-4931          |
| Amplifier                 | MCL                | 10631      | 49-6813          |
| Amplifier                 | Amplifier Research | 100W1000M7 | 11833            |
| Antenna                   | EMCO               | 3106       | 41-6970          |
| LISN (2)                  | Solar Electronics  | 72251      | N/A              |
| Field Strength Meter      | IFI                | EFS-3      | 639-B            |
| Generator                 | Hewlett-Packard    | 3325B      | 49-4950          |
| Generator                 | Hewlett-Packard    | 8673D      | 49-5017          |
| Leveling Amplifier        | IFI                | LPA-5C     | 49-5410          |
| Spectrum Analyzer         | Hewlett-Packard    | 70000      | 49-4489K         |
| Spectrum Analyzer         | Hewlett-Packard    | 70908A     | 3021A00743       |
| Antenna                   | Emco               | 3109       | 41-6970          |
| Field Strength<br>Monitor | Narda              | 8716       | 49-4955          |
| 50 Ohm Load               | Bird               | 81B        | 49-0156          |
| Directional Coupler       | Amplifier Research | DC2000     | 49-5333          |
| Directional Coupler       | Narda              | 3040B-30   | 22046            |
| Calibration Fixture       | Eaton              | 95241-1    | 0117130-7        |
| Power Supply              | Hewlett-Packard    | 6653A      | 49-5877          |
