(Billings & Collections Branch)

Dear Ms. Dorsey:

Per your correction notice, I have **now** enclosed one completed form 159, the three completed form 442's (that you had returned to me), and a check for \$135 (\$45 for each application). The attached forms and check are being sent to you to obtain experimental licenses to perform testing and verification of ground based radar units manufactured by the Hughes Aircraft Company to satisfy our contract with the United States military. The duration of this contract is through the year 2000.

Mr. Doug Young (Experimental Division) has received the technical portions of these application and they are being processed. Please process the payments now that the correct forms have been submitted.

Sincerely,

Rick Samolai
Radio Frequency Coordinator
Hughes Aircraft Company

ATTN: Mr. Doug Young
(202) 418-2440

Dear Mr. Young:

Enclosed are three (3) **CLASSIFIED APPLICATIONS** to support the testing of ground based radar units.

Per our telephone conversation, I have enclosed three completed form 442's, and a check for \$135 (\$45 for each application). The attached forms and check are being sent to you to obtain experimental licenses to perform testing and verification of ground based radar units manufactured by the Hughes Aircraft Company to satisfy our contract with the United States military. The duration of this contract is through the year 2000.

The three applications (tagged as Items 1 through 3) are as follows:

- Item 1, to license the testing of radar units at our facility in Fullerton, CA.
- Item 2, to license the operation of a remotely operated commercial radar target from Sierra Peak, CA. this will be used to perform testing of the radar units from our Fullerton, CA facility.
- Items 3 and 4, are to license the testing the radars, and a target unit at our Forest, MS facility.

The contents of the three 442's are not classified, however, several pages of each of the attachments **are classified**.

I can answer all general questions regarding these applications, please contact me at (310) 616-3912 from 8AM-5PM PST, Monday through Friday.

For technical questions only, contact Mr. Dave Stephens at (310) 606-2186 from 8AM-5PM, PST, Monday through Friday.

Sincerely,

Rick Samoian
