This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Wayne;

DoD AFC AZ concurs with the proposed modification (E-mail of 6 May 2014/06:15) of Raytheon's KA2XAG license and coordinated under AFTRCC ICN 1252-14/5098.

My coordination number is 14040701, and I require no additional coordination requirements (from what is currently identified in the KA2XAG license).

Thank You
Mark
