Subject: FCC File No. 0102-EX-RR-2013

---

Message:

Behnam,

This morning, we received word from the FAA Western Regional Office that they are reviewing our coordination requests, and they expect to provide some sort of response within a week.

We will be following up with the FAA to ensure that this information is provided to the FCC as soon as possible.

Thank you,

Anne Cortez, on behalf of Raytheon Missile Systems
