

EXHIBIT 1 – Question 4

Raytheon Missile Systems, Louisville, KY, has an OET license WB2XCD, which was granted (file number 00010-EX-RR-2005) through 2010. Special Condition #2 on the granted license calls out Navy Contract number N00024-96-C-5431. This contract has expired, and has since been replaced by new Navy contracts N00024-02-C-5415 and N00024-04-C-6500. All other technical data pertaining to this new license remains the exact same as replaced license WB2XCD (however, Administrative data has been changed also).
