

EPLRS Experimental License Authorization Request

Purpose of Operation

Raytheon Network Centric Systems (NCS) has been developing an radio system that can synchronize with local public safety networks. We want to experiment with the EPLRS radio system that will include all First Responders for Worcester County.

EPLRS Current application for experimental license;

- File Number: 0496-EX-PL-2008
- Class of Station: MO
- Station Locations: Worcester County, MA
- Effective: TBD
- Expiration: TBD

Experimental Explanation

To provide an immediate, 24-hour per day, countywide First Responders support the capability for critical occurrences and emergency situations, to provide logistical support for law enforcement, highway safety and traffic enforcement operations, and to provide transport services in support of governmental operations and critical administrative functions.
