

From: John Adams

To: Behnam Ghaffari

Date: September 10, 2013

Subject: FCC File No. 0323-EX-RR-2013

Message:

Ben,

The Radio in question has not been certified, so please change the information to Yes for Experimental.

Note: We completed a transfer of control from Raytheon NCS to Raytheon SAS, John Adams (NCS) no-longer controls this license.

Thanks.
