

Raytheon Missile Systems
Experimental License Modification Application

Call Signs:

1. WJ2XXW
2. WJ2XYQ
3. WF2XVV
4. WE2XSU

File Number: 0037-EX-CM-2020 (WJ2XYQ)

Explanation Regarding Modification Applications

These applications have been filed to modify the stop buzzer point of contact for the listed call signs:

- WJ2XXW
- WJ2XYQ
- WF2XVV
- WE2XSU

The Stop Buzzer point of contact for each should be:

Jim Ortega, Spectrum Manager
Raytheon Missile Systems
520-794-0227 (office, forwards to cell)
James.e.ortega@raytheon.com

This is the only change being requested for each of the experimental licenses.

If there are any questions regarding these requests, please contact Anne Cortez, Counsel to Raytheon Missile Systems, at 520-360-0925 or alc@conspecinternational.com.
