**SUBJECT: Application to Renew Special Temporary Authorization
File Number 0298-EX-ST-2010**

Our Towson facility will be closing down at the end of the year and will move to Aberdeen, MD. In order to sustain testing of electronic scan antennas until the site closes down, Raytheon NCS respectfully requests an 180-day extension of frequencies presently assigned under Special Temporary Authorization 0034-EX-ST-2010, Call Sign WE9XCW, at Towson, MD.

Please let me know if you need additional information. I can be reached at telephone number 714-204-5585, or jesse.ellisor@raytheon.com

Sincerely,
Jesse Ellisor
