

Request for Waiver

This application is filed in connection with the Special Temporary Authority ("STA") issued to Raytheon, which expires on November 29, 2006. The STA call sign is WC9XSH. The application is being filed 13 days prior to the expiration of the STA, rather than the 15 days stated in Section 5.61(b) of the rules, 5 C.F.R. § 5.61(b). Raytheon hereby requests a waiver of Section 5.61(b) because the noncompliance was inadvertent and *de minimis*. Raytheon regrets the oversight and respectfully requests that the Commission grant a continuance of operations in accordance with the other terms and conditions of the STA, pending disposition of this associated experimental license application.
