To Whom It May Concern:

This is to certify that:

Republic Wireless and our Consultant (SmartWAVE Technologies) deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Republic Wireless and Consultant in a controlled environment.

Republic Wireless and Consultant will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Republic Wireless and Consultant have extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Republic Wireless meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Al Brown
Consultant (on behalf of Republic Wireless)
