Subject: Request for Info - File # 0571-EX-ST-2017

Message:

Dear Behnam, I got the GPS coordinates from gps-coordinates.net by entering the known addresses. The application asked for Latitude and Longitude in DMS format therefore, I used DMS. BTW, I use Add Attachments Hyper Link to send you 2 attachments that show the coordinates on the map in both DD and DMS formats, please help. Thank you for your time and support.
