

Robert Bosch, GmbH
Request for Grant of Special Temporary Authority
File No. 1698-EX-ST-2017
Narrative Exhibit Describing Operation

This application, filed by Robert Bosch, GmbH, an international manufacturer of tools, automotive equipment and consumer products, requests special temporary authority during a 6-day period beginning January 22, 2018 and ending January 27, 2018 to operate a new Bosch product, a mechanical jackhammer, at the Las Vegas Convention Center in Las Vegas, Nevada for demonstration purposes during the World of Concrete Convention. Bosch would operate the system in the Central Hall of the Las Vegas Convention and Trade Center, located at 3150 Paradise Road, Las Vegas, Nevada 89109.

The Bosch hammer incorporates a fixed mounted tracking sensor for theft protection, a GSM module and a GPS receiver. Demonstrated will be marketing samples. Each of 12 devices at the show will be marked "Marketing Sample" and will incorporate GPS receivers and an FCC-certified GSM/GPRS/EDGE/UMTS/HSPA module (Cinterion Wireless Model Class B computing device peripheral, FCC ID QIPEHS5-US) using the frequency ranges 824-849 MHz, 869-894 MHz, 1850-1910 MHz and 1930-1990 MHz. The power level from the GSM module will not exceed 1Watt. Roaming service will be provided through A1 Digital International GmbH, a member of Telekom Austria digital, a member of America Movil.

The composite device is not certified in the United States as of yet. Versions for the United States market are under development. Hence the need for the requested STA for this pre-production demonstration.

The Stop Buzzer contact in the United States for Bosch will be Mr. Daniel Dietsche, whose direct mobile phone number is 224-422-9687. Should any interference arise or be complained of by any other convention exhibitor or any licensed entity during the event, all operation will cease until the interference complaint is resolved to the satisfaction of the complainant.

Should any question arise concerning this application, kindly notify undersigned counsel.
