Re: Experimental License Renewal of Call Sign KM2XHY

Dear Gentlemen:

On behalf of Rockwell Collins, Inc., attached is an application for renewal for Experimental Radio License Call Sign KM2XHY.

According to our records, an attempt to electronically file this application for renewal was made on 11/11/99 along with (5) other applications for renewal. After conversations with Doug Young of your office on 01/24/00, we believe that the electronic file was lost. Therefore, we are resubmitting our application for renewal.

Respectfully submitted,

M. B. Wilson
