This recommendation is advisory only and is not binding on you or the FCC. It does not constitute a judgement that the frequency(ies) specified is(are) best suited to your purpose or that the assignment is exclusive to your company. In utilizing this recommendation, the company agrees to release and hold harmless AFTRCC, its officers, members, agents and representatives from and against all claims, losses, damages, or expenses which may arise as a result of your companies use of the frequency(ies) specified.

This frequency recommendation letter will be valid only for the period specified above. If an application for STA has not been filed with the Federal Communications Commission within that period, it will be necessary to request a new frequency.

The original of this letter should be attached to your applications for STA when field with the FCC.
