

Description of Modification

Rockwell Collins, Inc., a part of Collins Aerospace (“Collins”), respectfully requests a modification of its experimental license with call sign WK2XMT, to add a new antenna location to its approved license.

To assist with developing a new Iridium SATCOM terminal for the aviation market, Collins seeks to transmit from its property in Cedar Rapids, Iowa, using both the Low Gain Antenna and High Gain Antenna described in the original application for this license.

The new location is: 400 Collins Road NE, Cedar Rapids, IA.
