

DIRECTIONAL ANTENNA INFORMATION

Fixed Antennas:

- (a) Width of beam in degrees at the half-power point: 31.2° (vertical) 30.1° (horizontal)
- (b) Orientation in horizontal plane (degrees): ranges from 180° to 315°
- (c) Orientation in vertical plane (degrees): 0°

Mobile Antenna:

- (a) Width of beam in degrees at the half-power point: 31.2° (vertical) 30.1° (horizontal)
- (b) Orientation in horizontal plane (degrees): ranges from 0° to 135°
- (c) Orientation in vertical plane (degrees): 0°
