Ms. Peggy Fowler

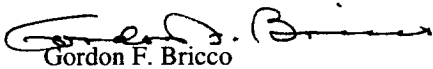

Dear Ms. Fowler:

Rockwell hereby submits the following information requested by the FCC in regards to your letter dated March 13, 1997. RE: Experimental Application File No: 4518EX-PL-94, Signature Date: October 28, 1994 (See Attached).

Pursuant to discussions with Comsat Mobile Communications; Comsat sent to Rockwell the attached letter dated November 10, 1994 indicating FCC temporary authorization regarding long term use of appropriate frequency bands for land mobile-satellite service within the United States, and the entities that may provide such service in the United States. Rockwell is identified in this letter as: Rockwell International, Inc. (RII). Rockwell Authorization Number is: SRD-0010. Also, according to Comsat, this authorization has been renewed since this grant date.

If you have further questions concerning this subject, please feel free to call me at (319)295-2462. I may be sent E-MAIL to: gfbricco@cacd.rockwell.com

Sincerely,

Gordon F. Bricco
