(Call Sign)

XT

(Class of Station)

0016-EX-TN-2018

(File Number)

NAME Rogers Labs, Inc.

Subject to the provisions of the Communications Act of 1934, subsequent acts, and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions and requirements set forth in this license, the licensee hereof is hereby authorized to use and operate the radio transmitting facilities hereinafter described for radio communications in accordance with the program of experimentation described by the licensee in its application for license.

Operation: In accordance with Sec. 5.3(h) of the Commission's Rules

Program Area

Louisburg (MIAMI), KS - NL 38-39-17; WL 94-38-01

Special Conditions:

- (1) Licensee should be aware that other stations may be licensed on these frequencies and if any interference occurs, the licensee of this authorization will be subject to immediate shut down.
- (2) Licensee must maintain current information of a responsible point of contact under rule 5.308. The point of contact responsible for all experiments conducted under the license, including ensuring compliance with all applicable FCC rules is Scot Rogers at (913) 837-3214.
- (3) This authorization is for a Compliance Testing Experimental License subject to Part 5, Subpart G of the FCC rules and must operate on a non-interference basis subject to all requirements under this subpart.

This authorization effective November 21, 2018 and
will expire 3:00 A.M. EST December 01, 2023
