To Whom It May Concern:

This is to certify that: Rosincloud Inc is deploys and/or manages radio frequency equipment. The RF experimentation will be conducted by following a strict Test Plan defined and approved by Rosincloud Inc in a controlled environment. Rosincloud Inc will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results. {Company} has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff. For the above reasons, I believe {Company} meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules. Sincerely,
