

EXPEDITED REQUEST

This is a request to expedite the processing of the modification to the STA application filed by Runcom Technologies, Ltd. ("Runcom"). The application was granted with special conditions. In the process of meeting the conditions set forth in the authorization, it became clear that we needed to modify the frequencies would be utilized. As such, Runcom has chosen frequencies where there would be less interference, and obtained the necessary consent for those frequencies. We did not receive such consent until late Friday, June 24, evening, see attached consent. This authorization requests authority to operate from Tuesday June 28th through Friday July 1, 2005 during the Wireless Communications Association International conference being held at the Marriott Wardman Park Hotel in Washington, DC.

Runcom requests your expedited service so that we can demonstrate our equipment at the Wireless Communications Association International Convention.
