

Drive Along Idaho 28
with Transmit
Antenna Pointed
Towards EBR1

Drive Along service
road T-3 with
Transmit Antenna
Pointed Towards
EBR1

Legend

- U.S. Highway
- State Highway
- Paved or Light-Duty Roads
- Two Track Roads
- Pri 1 - Emergency Evac/Security Roads (Graded)
- Pri 2 - Service Access Roads (Spot Graded)
- Pri 3 - Wildland Fire Roads (Passable)
- Pri 4 - Not Maintain
- Railroad Tracks
- Rifle Range Fan
- Rivers and Streams
- Playas and Spreading Areas (Dry or Seasonally Wet)
- INL Utility Lines
- Utah Power & Light Utility Lines
- Idaho Power Utility Lines
- Buildings of Interest
- Facility Footprints
- Wireless Testbed Tower (60 feet tall)
- Verizon Cellphone Tower (200 ft tall)
- Howe Peak Radio Tower
- Guard Gates
- NOAA Towers
- Cities and Towns
- Sagebrush Steppe Reserve
- INL Boundary
- County Boundaries
- PLSS Section Lines
- PLSS Township and Range Lines
- Easements
- 200-ft Interval Contour
- 40-ft Interval Contour
- 10-ft Interval Contour
- 2-ft Interval Contour
- 2-ft Depression Contour
- Buttes

Key Facilities

- CDF - Contraband Detection Facility (Former MWSF)
- CFA - Central Facilities Area
- CITRC - Critical Infrastructure Test Range Complex
- CTF - Contaminant Test Facility
- INTEC - Idaho Nuclear Technology & Engineering Center
- LSDF - Large Scale Development Facility (Former WERF)
- MFC - Materials & Fuels Complex (Former ANL-W)
- NRF - Naval Reactors Facility
- PBF - Power Burst Facility
- RTC - Reactor Technology Complex (Former TRA)
- RWMC - Radioactive Waste Management Complex
- SMC - Specific Manufacturing Capability
- SPF - Special Programs Facility (Former WEDF)
- TAN - Test Area North
- TSF - Technical Support Facility

Other Deactivated / Decommissioned Facilities

- ARA - Auxiliary Reactor Area
- ARVFS - Army Reentry Vehicle Facility Site
- BORAX - Boiling Water Reactor Experiment
- EBR-I - Experimental Breeder Reactor - I (Historical Landmark)
- IET - Initial Engine Test Facility
- NOTF - Naval Ordnance Test Facility
- STF - Security Training Facility
- WRRTF - Water Reactor Research Test Facility
