Subject: Request for Info - File #0692-EX-PL-2015

Message:

You have requested confidentiality for the entire application. As a matter of policy, we will not withhold from public any information necessary for interference mitigation. This includes applicant name, contact info, location, frequency and power. If there is nothing in the form itself that cannot be released to the public, state this.

You must separate out all confidential material from the rest of the application, submit the confidential information in exhibits separate from the non-confidential information and submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules. All non-confidential material must be viewable by the public, including the confidentiality justification.

You did not submit exhibits that comply with 47CFR5.63(c)(1)&(3):

A narrative statement describing in detail the program of research and experimentation proposed, the specific objectives sought to be accomplished; and how the program of experimentation has a reasonable promise of contribution to the development, extension, or expansion, or use of the radio art, or is along lines not already investigated.

and

If the authorization is to be used for the sole purpose of developing equipment for exportation to be employed by stations under the jurisdiction of a foreign government, a narrative statement describing the project, any associated contract number, and the name of the foreign government concerned.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 02, 2015 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
