Subject: Request for Info - File #0224-EX-PL-2015

Message:

Doug,
I didn't get an email response from Thomas so I called him today. He emailed the FAA PMO and contracting officer but has yet to hear back. I asked that our program manager contact the FAA to try to push this along. He just emailed Bill Kaplan to grant the ok. I will forward you the email chain thru your email account
Thanks
Glenn
