Subject: Request for Info - STA File #0592-EX-ST-2013

---

Message:

The Government has issued an updated instruction for this operation: "The operation will occur sometime between 16 September and 31 October, as determined by the Government. "  
This instruction is still draft and will not be final until August 12 when the final Request For Proposal comes out.

Can I leave my application as it is for now (on hold) and update it in August when the instructions are final?

Thank you,  
Johan Ruud
