Subject: Request for Info - File #0279-EX-PL-2013

Message:

I sent the below request on March 12, 2014 from my regular FCC email account. The SpaceCap is the only thing holding up this application, as far as I know. If you need me to resend the attachment, let me know. (I am not able to send attachments with ELS-generated emails such as this one.)

"Our International Bureau has said that your SpaceCap file has errors. I am attaching a screenshot that shows those errors. Apparently, there are some missing fields. Correct those errors and send the corrected SpaceCap back to me as soon as possible."

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 14, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
