Subject: Request for Info - File #0279-EX-PL-2013

Message:

The FCC's International Bureau has asked that you respond to the following two questions:

- 1) Is there any risk that the magnets on the spacecraft will result in Argus deploying attached to another spacecraft flying on this mission?
- 2) Are there other spacecraft on the launch that also carry magnets? If there is a risk, has this risk been addressed in launch planning?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 24, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
