Dear Ms. Hey:

We recently sent an Application for Renewal of Radio Station License, FCC Form 405, to your office on October 18, 2001. The form had been properly filed with your office in a timely manner, however, recently received a Notice of Application Dismissal from your Gettysburg, PA, office.

After corresponding with Mr. Doug Young of your office on February 13, 2002, it was discovered that this experimental renewal application must have been erroneously forwarded to the FCC Gettysburg, PA, office. Due to this unfortunate error, time has passed and we are now beyond the original expiration date of November 11, 2001. This error must have originated in your office and therefore not the fault of our government agency.

We request that our FCC Form 405 be accepted via fax and urgently processed. It is also understood that the original FCC Form 405 will be mailed to you directly in a hard copy form.

Should any questions arise, please contact Mr. Gary Stanford at (559) 230-5861. Thank you for your immediate assistance in this matter.

Sincerely,

Gary Stanford
